Each committee may want to start with a brief review of System of Care Committee principles:

- Each voice is valid and respected
- Each person's reality is unique and valuable
- Expertise comes from many sources
- Process is the foundation for decision-making: To identify where Authority is and why, and how power is defined and shared.
- Information flows in and out
- Meetings are focused and productive with a shared vision
- Transparency builds trust
- Trust builds relationships
- Leadership encourages collaborative strategies
- Participation is meaningful
