THRIVE system of care initiative and  
Youth MOVE Maine  
invite you to a youth-guided Community Dialog  
and premiere of "Digital Stories"

"Digital Stories" delivers a powerful message of hope and recovery for youth who have experienced severe emotional disturbances caused by neglect, homelessness, depression, substance abuse and stigma. The stories of Hillary Groves, Dustin Strout and others may leave you speechless, but they will not leave you alone. Where there is help, there is hope. Where there is hope, there can be recovery and realization of true potential for healthy contributions to community.

Following the premiere, there will be a panel discussion. Light refreshments will be served. For more information call Thrive at 1-877-784-4705
